

# 2,000 feral rabbits

"The matter of the Canmore rabbits is not one of public health or safety; instead, it is one of politics," Michael O'Sullivan, President of the Humane Society of Canada.

Canmore, Alberta

The Alberta town of Canmore plans to eliminate 2,000 feral rabbits, because the former domestic pets and their offspring "are breeding like rabbits and damaging property."

John Cotter. *Alberta town's plan to eliminate rabbit scourge has some people hopping mad.* [The Canadian Press](#). Nov. 2, 2011
